

CONSENT FOR ACCESS TO PROPERTY

Name: Southwest Resources, Inc.

Address of Property:

Dysart #2 Uranium Mine T14N R10W S11 SW, McKinley County, New Mexico

Section 12 Uranium Mine T14N R10W S12 SE, McKinley County, New Mexico

I, George Lotspeich, consent to officers, employees, and authorized representatives of the United States Environmental Protection Agency ("EPA") entering and having continued access to my property for the following purpose:

- The taking of such soil, water, and air samples and radiation measurements as may be determined to be necessary.
- The EPA will provide Southwest Resources, Inc. at least a four (4) day written (electronically transmitted) notice to Southwest Resources, Inc. prior to entry upon the land, and have Mr. George Lotspeich escort the sampling party.
- Southwest Resources, Inc. or its representative will have the opportunity to split samples of any sampling taken by the EPA or its representatives and will be provided a copy of the EPA's sample results upon finalization.
- The term of access to the identified sites will expire June 29, 2012.
- Access of the property will be contingent on having Mr. George Lotspeich or his representative accompany any party entering the properties. (This is necessary due to arrangements Southwest Resources Inc. has with Ranchers and Surface Owners regarding the properties.)

I realize that these actions by the EPA are undertaken pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA" or "Superfund"), codified at 42 U.S.C. Section 9601 *et seq.*

This written permission is given by me voluntarily with knowledge of my right to refuse and without threats or promises of any kind.

Date: 9/20/11
